

Lunch & Lecture Series at the Elliott Museum

Lunch on the Fly with Dr. Richard Forster

An avid bird watcher, Dr. Richard Forster had filmed, produced, and narrated two videos on the feeding habits of some of Florida's birds. He will show his videos followed by a talk and Q&A.

Talks held from 11:30am - 1:00pm, then an optional lunch* is served afterward in the art studio where you will have a chance to chat with our presenter.
